

SOTTASS-INSPIRED REVIVAL

Geometric shapes and bold colours reminiscent of the Memphis group of the early 1980s are making a welcome return to the furniture world this year. Pierre-François Brichet, for instance, a student at ENSAD (the French National College of Decorative Arts), has come up with these drool-worthy tables. *'Demoiselles' tables, by Pierre-François Brichet, e-mail: brichetp@yahoo.fr*
